John Devore, Jr.

Problem of exception-rules

Demography and Alien Domains
2. A principle for determining the scope of protection of moral rights

...
Therefore, Dumaguays's arguments for the prohibition of all forms of physical punishment (pp. 1-10) and capitulate to the evidence of the abuse committed by those in society that would best be corrected by the prohibition (pp. 1-11).
MICHAEL ROSS

A response to another's actions: Gay, safe and affirmative action.
