

# [Our Fantastic Title]

Proposal for the Early Christian Writings World  
2610: Spring 2008      60-Minute Session

**a) Introduction /Rationale:** [What do you plan to do and why?]

**b) Contribution to Course:** [How does your group project generally and specifically contribute to our course?]

**c) Session Description:**

**Description of Group Activities:** [Will your presentation require us to work in small/large groups? Will there be activities; describe what we will do exactly.]

**Experiential Learning Goals:** [Assuming your presentation will be interactive, and that we will be learning experientially, identify the learning goals are you hoping we meet?]

**Possible Participant Questions/Comments (Anticipate):** [Anticipate your lively, smart, and curious audience. What are the types of questions that you think we might ask? (Why are we doing this? I don't get it. Can I sit over here instead? How does this connect...?) Have you addressed many of them in the presentation?]

**d) Logistics:**

**Timing of Session Activities:** [Use a time-line: what occurs/happens in your 60-minutes?]

**Classroom Requirements:** [Does the classroom/church/room/outdoors/etc. need to be set up or changed to suit your session purposes? Specify.]

**Technology Requirements:** [Do you need special tech equipment or capability in the room? (Boom-box, piano, lights, PC console, etc.)]

**e) Relevant Supporting Literature (Bibliography):** [Identify the sources that supported the content of your session. Be clear on what does what – annotate.]
